Resurrection and Community
Matthew 22:23-33

Suggested Questions for Individual
Study or Group Discussion*

- Whether it was the past or right now, what is your vision of Heaven? Who is there with you and what is their relationship with you like?
- What influences that view of heaven? (Parables, Culture, Personal Experience)
- Who make up the “Communion of Saints” to you? When have you felt incorporated into the Communion of Saints?
- If you were to make the outfit for your wedding, what would it be made of? (Revelation 19:8b)
- Who do you see “Testifying” (“giving evidence”) to the Resurrection within your own community? (Acts 4:33)
- When you Read Acts 4:32-35, what are you encouraged by and what are you challenged by? How would you respond as an individual as well as a small-group/church community?
- Our phrase “I’m in Heaven” is often used in places of solitude. What was a time from this past week that you were “in Heaven”?
- With the desire to be a ‘movie preview of heaven’, how do you live out a resurrected life in your life? How do you want to?
- When considering how we may deny the resurrection, how can others in your group pray for you?
